Episcopal Community Services Prayer

O God, the source of all love and compassion, we praise you for the opportunities we have been given to minister in your name.. Pour your blessing on all who work on our behalf through the ministries of Episcopal Community Services. Use them to bring comfort, assistance, and renewed experience of the Father's love to all whom they seek to serve. Open our hearts to respond to the needs of these around us. To you we offer our gifts and prayers, through Him who came among us as God's love incarnate, Jesus Christ, Our Lord. Amen.

Please see our ECS Chairperson, Irene Greene for your donations.
